

Merchant Payment Processing Service for Medical Marijuana Home Delivery Dispensaries

Check22 is the Best Way to Pay!

Check22 is the new way for Medical Marijuana Delivery Services Merchants to process payments for goods and services, in Real-Time, 24x7x365, whether in person, or by phone.

Avoid the hassle and risk associated with credit card processing! Our Merchants can receive payments within five minutes, from any customer who has a valid checking account at any bank in the U.S.

Here's a very quick overview:

- Activate your Merchant's Processing Account in just 15 minutes: <https://GenieCashBox.com/BusinessAccount>
- Your merchants will receive their payments within 5 minutes.
- Save on processing fees.
- Merchants Get Paid for the full amount billed: our low processing fees are billed separately.
- Process payments one at the time or in a "Batch Process" of up to thousands of payments at a time.
- Reduce the Chargeback and Dispute periods from 6 months to 40 days.
- NO reserves required.
